#### CORPORATE BACKGROUND

...of about 2,300 cars.

CRD uses a wide variety of makes and models of **cars** for daily rental purposes, nearly all of which are current year or the previous year's models. CRD **rents cars** on a daily, weekend, weekly or monthly basis, with **rental** charges computed on a limited or unlimited **mileage** rate, or on a **time** rate plus a **mileage** charge. CRD's rates vary at different locations **depending** on local market, competitive and cost factors, and virtually all **rentals** are made utilizing rate plans under which the customer is responsible for gasoline used during...

**AUTOMATION TRAINING SOL DAHA23-99-Q-0129 DUE 100699 POC**

smithka@mo-arng.ngb.army.mil E-MAIL: smithka@mo-arng.ngb.army.mil,  
smithka@mo-arng.ngb.army.mil. This amendment is a summary of changes to the  
solicitation. The following information is hereby incorporated into  
Solicitation DAHA23-99-Q-0129. The contractor will be responsible for the  
set up of the classrooms. The government will provide software. The  
versions of oracle to be taught are 7.3, 8, and 8i. The government will  
provide on site maintenance. The classes will not be cancelled due to  
inclement weather. The contract will not be split up if one vendor cannot  
provide all services. The actual number of students will not be known until  
the first day of class. The government is asking for multiple versions of  
SQL server to be instructed. Thirty (30) days lead-time will be given for  
Cisco router and Oracle training and 15 days lead-time for all other  
training. The government will provide storage place for materials when  
training at Ike Skeleton Training Site, Jefferson City, MO. Instructors are  
not responsible for making sure that the attendees meet the course  
prerequisites. The government may cancel a course not less than seven days  
prior to start of course. If the contractor fails to provide qualified  
instructors or show up for scheduled course, the government will make an  
equitable adjustment to the contract. The instructor is allowed to bring  
his/her computer to connect to network. Successful connection is not  
guaranteed by the government. The vendor will provide classroom set up for  
technical classes. The contractor will be provided access to the classroom  
prior to instruction in coordination with the Contracting Officer  
Representative (COR). Total contract dollars placed against all Task Orders  
to be issued under the contract shall not exceed \$450,000.00. The  
guaranteed minimum is \$10,000.00. The MS office 97 curriculum must be  
Microsoft certified. The vendor will provide lab equipment for Cisco router  
training. Various courses listed could have various course lengths based on  
various Programs of Instructions. All courses will be taught as instructor  
led curriculum. Participants will be at different levels of knowledge for  
the curriculum being offered. The government anticipates a minimum of 6 and  
a maximum of 16 students per class. The government will consider a sliding  
scale price depending on the number of participants attending a class. The

vendor will provide 4500 series, mc3810, and 3600 series routers for the Cisco router training indicated. Prices to provide this equipment must be included in the per student price for the Cisco class. Class descriptions were requested for: Introduction to Outlook 97, Intermediate Outlook 97, Introduction to Microsoft Office 97, Intermediate Microsoft Office 97, and Advanced Microsoft Office 97.
